Also new this year: All Wessels races will start at the Otego boat launch. The boat launch is located about 1 mile east of the I-88 Otego exit, on the south side of the river. All classes will start racing upstream. Amateur classes will do a buoy turn about one mile from the starting line. The Pro classes (including C-1 Pro) will go around the island above the railroad bridge, about three miles from the start. Upon completion of that turn, they will proceed to the finish in Sidney.
